

Florida Suncoast Watercolor Society

Florida Suncoast Watercolor Society, a not-for-profit organization, was formed in 1983 to promote excellence in the art of watercolor painting. Through exhibitions, lectures, workshops and demonstrations, among other activities, we share with our members and the public some of the best work currently being done in watermedia.

FSWS membership is open to present or past residents of the counties bordering the West Coast of Florida.

FSWS has at least three juried exhibitions a year --- either transparent or aqueous watercolor --- at various art centers and galleries. A complete Exhibition Prospectus and schedule, as well as other useful information, is available on our website: www.suncoastwatercolorssociety.com. Signature membership is awarded to members accepted into two juried exhibitions.

Annual membership dues are \$35. For an additional \$30 annual fee, members may have a Gallery page on the FSWS website that will include a brief bio and up to 9 images, plus a link to their personal website or email address. The procedures for setting up a Gallery page are available on our website: www.suncoastwatercolorssociety.com.

Membership is effective upon our receipt of your completed application and dues payment. New members joining on or after July 1 will be considered paid through the following year. If you wish to join FSWS, please complete this application and send it, along with your check for \$35 (\$65 if you wish to have a Gallery page), payable to FSWS, to:
